Customers can select from two options to display our tiles in the showroom:

- Grouted Panels come in a variety of sizes, colors, finishes, and patterns. We pair your tile selection with translucent glass grout to make a very beautiful on-wall display.
- Our Tower holds up to 72 boards. Customers can pick their favorites or use our standard option; which has an extensive selection of our sizes, colors, blends, finishes, and patterns.

We also offer individual tile sheets for mounting in store, prices vary and discounts apply.

Ask us about loose tiles for your custom mosaic mounting.

All prices are FOB, Spring Lake, MI.

Our customer service team is ready to help you through the selection process. Contact us any time at 231.375.8037 or at orders@amosaic.com.
